

Custom shortpass filters

Specs

| | |
|---------------|---------------------------------------------------------|
| Applications: | spectrometry, sensors, microscopy, |
| Material: | Substrate in N-BK7 / H-K9L or Fused Silica |
| Dimensions | From 0.3mm to 150mm |
| Shape: | Round, square or custom |
| Coatings | Shortpass (custom wavelength according to requirements) |
| Blocking | Up to OD6 |
